1. Foreword

Knockbreda Nursery School is committed to school self-review, evaluation and improvement.

Our aim is to provide a child focused pre-school experience that is warm and welcoming, open and inclusive, and one that will positively introduce your child to education.

To that end, it is of paramount importance that Knockbreda Nursery School runs smoothly and that parents/carers and staff work together in a spirit of co-operation and always in the best interests of the children.

To facilitate our open and caring, child centred environment, we encourage the swift and effective resolution of issues, concerns and complaints.

Any issues, concerns or complaints need to be managed properly.

If you have an issue or concern, we would ask that you raise it promptly with your child's teacher or the principal, give the school an opportunity to address the issue or concern and allow us to try and deal with it. In our experience, most issues or concerns can be resolved through effective communication and explanation.

We also wish to promote and encourage the expeditious resolution of complaints. To that end, the School has sought to develop a complaints procedure that is user friendly and will allow complaints to be dealt with quickly and appropriately.

If you have a complaint about Knockbreda Nursery School, please use the following complaints procedure .

2. AIMS

Knockbreda Nursery School will encourage the resolution of any issues or concerns that you have through communication and dialogue.

If you are dissatisfied with the way that the school has addressed your issue or concern, or for any other reason you wish to make a complaint, you must use the school's complaint procedure. The school is also required to follow this procedure.

When dealing with complaints the school will;

- a. encourage resolution of all complaints as quickly as possible
- b. provide timely responses to complaints
- c. keep you informed of progress
- d. ensure a full and fair investigation of your complaint where appropriate
- e. have due regard for the rights and responsibilities of all parties involved
- f. respect confidentiality
- g. fully address complaints and provide an effective response
- h. take appropriate action to rectify any identified issue or concern and prevent it happening again, where appropriate
- i. be responsive to learning from outcomes which will inform and improve practice within the school.

A copy of this Procedure is available on the school's website or is available from the school on request.

3. Complaints Procedure

- Stage One - Write to the Principal
- Stage Two - Write to the Chairperson of Board of Governors

Time Limit

Please contact the school as soon as possible. Unless there are exceptional circumstances, complaints will normally only be considered by the school within 6 months of origin of the complaint.

Stage One

When making a complaint, contact the school Principal, in writing*, who will arrange for the complaint to be investigated. The Principal may carry out all enquiries necessary to enable the complaint to be determined or resolved.

If the complaint is about the Principal, proceed to Stage Two.

The complaint will normally be acknowledged within 5 school working days and a response normally made within 20 school working days from the date of receipt of the complaint. This response will be issued in writing by the Principal and will indicate, with reasons, whether the complaint has been upheld, partially upheld or not upheld. If the complaint is upheld or partially upheld, the Principal will indicate what is going to be done to resolve the wholly, or partially, substantiated complaint.

These timeframes may need to be reviewed if complaints are made or ongoing during a school holiday period or if an investigation is, or enquiries are, ongoing. You will be notified of any delay if this is the case.

If you remain unhappy with the outcome at Stage 1, the complaint may be progressed to Stage 2 which is overseen by the Board of Governors.

Stage Two

If the complaint is unresolved after Stage One, or is a complaint against the Principal, write* to the Chairperson of the Board of Governors (care of the school and marked 'private and confidential').

The Chairperson will convene a committee to deal with the complaint. The committee will arrange for the complaint to be investigated and may carry out all enquiries necessary to enable the committee to determine or resolve the complaint.

The complaint will normally be acknowledged within 5 school working days and a final response normally made within 20 school working days from date of receipt of the complaint. The response will be issued in writing by the Chairperson of the committee and will indicate with reasons whether the complaint has been upheld, partially upheld or not upheld. If the complaint is upheld or partially upheld, the Chairperson of the Committee will indicate what is going to be done to resolve the wholly, or partially, substantiated complaint.

These timeframes may need to be reviewed if complaints are made or ongoing during a school holiday period or if an investigation is, or enquiries are, ongoing. You will be notified of any delay if this is the case.

**A complaint in writing should be made using the appropriate form which is contained in appendix A of this procedure.*

**Where making a complaint in writing may present difficulties, please contact the school and we will make reasonable arrangements to support you with this process.*

Northern Ireland Public Services Ombudsman (NIPSO)

If following Stage Two you remain dissatisfied with the outcome of your complaint, you can refer the matter to the Office of the Northern Ireland Public Services Ombudsman (NIPSO).

Please note, NIPSO will normally only accept your complaint if you have already followed and exhausted the internal complaint procedure of the school.

The Ombudsman provides a free, independent and impartial service for handling complaints about schools in Northern Ireland. A complaint must be referred to NIPSO within six months of the final response from Knockbreda Nursery School, unless there are special circumstances. The school will advise you in its concluding letter that the complaint may be referred to the NIPSO if you remain dissatisfied.

It will be at the discretion of the Board of Governors whether to treat the allegation or information as a complaint and whether it is appropriate to initiate a stage two investigation.

4.4 Unreasonable Complaints

The school is committed to dealing with all complaints fairly and impartially, and to providing a high quality service to those who complain.

If a complaint has been dealt with through this complaints procedure, and the complainant remains dissatisfied, the matter may be referred to the Ombudsman. If the complainant remains dissatisfied with any decision made by the Ombudsman, or chooses not to refer the matter to the Ombudsman, the complainant is not permitted to raise the same issue again by way of complaint to the school pursuant to this complaint's procedure.

The school is entitled to refuse to accept a new complaint made where this complaint is similar to, or is grounded upon, a complaint that has already been processed through the school's complaint procedure. This shall be referred to as a 'renewed complaint'.

If a complaint is received by the Principal that the Principal believes falls within this category of renewed complaint, the complaint should be immediately forwarded to the Chairperson of the Board of Governors. If such a complaint is received directly by the Chairperson of the Board of Governors, or is received from the Principal, the Chairperson shall determine whether the complaint is a renewed complaint. If the Chairperson is satisfied that the complaint is a renewed complaint, the Chairperson shall inform the complainant of this finding and inform the complainant that the procedure has been completed and that the matter is closed.

If the complainant repeatedly continues to contact the school with the same issue, upon the direction of the Chairperson, the school may choose not to respond where the Chairperson is satisfied that the complainant is vexatious.
